

LOGICAL THINKING

Who belongs with whom?

Using the six statements below, work out who is married to whom and what each of them does for a living.

People: Klara, Tina, Sabrina, Julia, Bea · Frank, Karsten, Jürgen, Heinz, Claus

Occupations: shop assistant, doctor, nurse, translator, gardener · bricklayer, hairdresser, psychologist, physicist, mechanic

1. The doctor is married neither to Karsten nor to Jürgen.
2. Klara is not married to Heinz.
3. Tina the translator is not married to Claus the hairdresser.
4. Sabrina is married to the mechanic; he is not called Heinz.
5. Julia is Jürgen's wife; she is not a nurse and he is not a psychologist.
6. The gardener is married to the bricklayer; their two first names are the same length.
