

LOGICAL THINKING

Who likes what?

Five pupils are in five different classes. Each of them has chosen one subject and one sport.

1. The girl who plays squash likes maths and is not in class 5.
2. Doris is in class 3, and Sabine likes badminton.
3. The girl who likes badminton is in class 2.
4. The girl in class 4 likes swimming, and Elisabeth likes chemistry.
5. Alice is in class 6 and likes squash, but not geography.
6. The girl who likes chemistry enjoys playing basketball.
7. The girl who likes biology enjoys playing badminton.
8. Nicole likes history, but not tennis.
